

St Agnes Junior High Bulletin ----Week ending March 10

While it has been a complicated year thus far I want each of you to know that St. Agnes Jr. High School remains fully committed to providing the most positive and effective learning environment possible. Teachers continue to focus on learning partnerships with our students as we view each as an individual learner with limitless potential.

- Teachers are well underway with providing extra help as we support all students towards success.
- As you may be aware breakfast club continued in a reduced capacity during work to rule but will return to full capacity following March break.
- Report cards will go home on the 29th of March
- Unfortunately I simply do not know what sports or some extracurricular activities will look like moving forward as those decisions depend on factors outside of the school. We will make information available as soon as it comes to us.
- The Music trip this year will unfortunately need to be cancelled because of scheduling conflicts.
- Art club is again up and running every Thursday at lunch.
- Friday swim club is again up and running.
- Girls Only Active Lunch (G.O.A.L.) will resume at lunch Thursdays following the break
- Choir continues every Friday at lunch
- Early morning gym will resume on Mondays and Tuesdays immediately following the break (8:00 am-8:30 am.)
- Our school website will resume full functionality following the break.

- The Grade 9 trip to PEI will be June 21-23. A parent meeting is planned for Thursday March 30 at 7 pm in the library at SAJH

I am sure each of you have heard the expression the new normal... as we move forward please know that whatever the new normal looks like, what will always be true is that we are a family at St. Agnes Jr. High School and family includes the community and together we will partner to place students and their success at the center of all we do.

As always it is my honour to be the principal of this amazing school and to work with this wonderful community as together we make SAJH the very best learning environment possible. Have a safe and restful break and I look forward to moving forward as a family.

Brad McGowan
